## The Integration of Faith, Learning, and Living

At Evangel University, learning occurs both in and outside of the classroom. We are better able to impact the world for God when we integrate our Christian faith with our fields of study and develop mature lifestyles that glorify our Creator. As a body of believers, the Evangel community encourages students to develop and use unique God-given gifts and abilities.

## Mission of Student Development

Student Development partners with students toward holistic development to engage in Christ-centered living.
