## Study Abroad and Council of Christian Colleges and University Study Programs

Evangel University offers a variety of off-campus programs for their College of Arts and Sciences undergraduate students. A number of these are available through the Council for Christian Colleges and Universities (CCCCU), an association of 95 institutions of arts and sciences in the U.S. and Canada. Based in Washington, D.C., this coalition is the primary organization in North America devoted specifically to serve and strengthen Christ-centered higher education. The programs offer unique opportunities for students to make the world their classroom. The Council's main functions are to promote cooperation and interact among colleges/universities, provide opportunities for personal and professional growth for administrators, faculty, and students, monitor government and legal issues, and promote these institutions to the public.

Because Evangel University is a member of the Council, these diverse off-campus study programs are available to juniors and seniors who have a minimum GPA of 3.0. For further information about academic requirements, financial arrangements, and schedule planning, see the Vice President of Academic Affairs or contact [CCCCU](#).
