

COU 598: Counseling Internship

Provides a multi-semester experience resulting in one credit for each of 100 hours of internship activity with a supervision seminar focusing on the integration of theory and practice. This weekly supervision seminar supplements the supervision students are receiving at their internship sites. The seminar is conducted using a clinical staffing format in which students present cases, and discuss therapeutic, diagnostic, ethical, faith integration, and treatment-planning issues encountered at their internship site. Didactic instruction occurs on an as-needed basis relevant to the issues presented by students. The seminar instructor maintains contact with the interns' site supervisor throughout the year.
