

# COU 695: School Psychological Examiner Practicum

Provides field experiences in public school settings as diagnosticians. As diagnosticians in training, students assess children and adolescents, participate in diagnostic teams, and assist in determining educational needs. Practicum students are supervised by a certified School Psychological Examiner or a School Psychologist as well as a university professor.

**Credits:** 3

**Prerequisites:**

COU 610, COU 611 and COU 613.

**Program:** [Counseling](#)
