

# PTH 542: Biblical Theology of Women in Ministry and Leadership

Scripture and history provide two bookends between which issues relevant to the ministry and leadership of women can be discussed. Integrating history with hermeneutics, through careful observation of the Lord's acts, one comes to understand God's ways (Psalm 103:7) Taking a narrative approach (with special focus on cultural contexts, the call of God, and roles of women), this course tells the stories of women throughout the Bible and history and can thus help students locate their stories within the context of God's story. Cross-listed with BTH 550.
