

PTH 557: Spiritual Formation of the Minister

Equips ministers to facilitate the process of lifelong spiritual transformation. While spiritual growth is personal in nature, it is enhanced in a context of authentic community. Toward this end, this course will include opportunities for students to explore a variety of avenues capable of leading to holistic, intentional, and ongoing spiritual growth. In addition to classic spiritual disciplines and virtues, students will consider an array of contributions from various streams of the Christian tradition. The model used in this course serves as a starting point from which leaders can tangibly assist others in experiencing authentic transformation.
