

PTH 659: The Social Impact of Christianity

A critical-historical evaluation of the impact of the Christian faith upon the major spheres of society. Christian contributions to the arts, education, intellectual inquiry, science, political thought and social justice will be delineated. The 2000-year narrative of Christian history is filled with progress and regress, but the overall portrait reveals a resilient faith able to influence positive change. Cross-listed with MCC 659 and HIS 659.
