

Elementary Education Major

The **Elementary Education major** who takes the required 8 credits in natural science, 5 credits in mathematics, and 3 credits in geography automatically meets the Bachelor of Science degree requirements of Evangel University. Elementary Education majors who want the Bachelor of Arts degree must include two semesters of a foreign language (or the equivalent as demonstrated by proficiency testing) in addition to the mathematics, science, and geography requirements. The science requirements must include one course in physical or earth science and one course in a biological science with *both* courses having laboratory components. The 5 credits of mathematics are met by MATH 120 and MATH 121.

Elementary Education majors must complete English Composition at the COMM 205 level. If the student tests into COMM 205, he or she need take only COMM 205 to meet the English Composition requirement.

Other General Education (Core Curriculum) requirements are identified on the Elementary Education degree sheet.

Evangel University's degree in Elementary Education prepares graduates for certification within the State of Missouri. Requirements may differ from state to state. Consult professional requirements within a state of planned practice.

Minor Requirements

Minor Requirements

Each Elementary Education major must have a total of at least 18 credits in a minor program. Courses taken as part of the General Education (Core Curriculum) and basic requirements may, in some instances, be counted for this purpose. For Elementary Education majors, this program may be selected from any minor listed in the catalog.

Elementary Education majors may also complete a **Middle School Education concentration**. Middle School teaching candidates are required to complete the General Education (Core Curriculum) requirements. Specific courses are outlined in the Core Curriculum section of the catalog and on degree sheets.
