

# CHMN 351: Establishing Lifetime Faith in Children

Designed for students to be able to understand the process whereby young people establish a deep and lasting faith. These keys known as eight goals of discipleship become anchors to their long-term faith. Students will discover ways to enhance these discipleship principles through both large and small group formats with the goal of raising up generations of kids and teens with faith that is strong enough to last.

**Credits:** 3

**Program:** Church Ministries
