

The Comprehensive Option for Digital Arts (BA or BS)

The Comprehensive Option for Digital Arts (BA or BS) requires 65 credits, which includes all the requirements listed for the Digital & Graphic Design major *plus* a communication minor. Six credits of workshops are needed, 4 from the major and two credits of workshops from the minor. No more than 2 credits of any specific workshop may be applied toward the major or minor. Any duplication of course requirements listed will become required elective communication credits and may be chosen from the communication listings with the permission of the advisor. The student must complete 22 hours in a minor in the Department, fulfilling all the requirements for that minor. No further minor or concentration is required for graduation.

Program: Digital Arts/Graphic Design Communication

Type: Major

Total credits:

65
